He then talked about the implications of NCA’s statements of financial position and cash flow. Taylor also referred the LA to the line-by-line comparison of the FY15-16 budget to actual revenue and expense, which was included in the meeting materials and shows that the association ended the year with a small operating budget surplus. *A motion was made by the Finance Board to adopt the FY15-16 audit report. Responses were recorded and collected for transcription and consideration.

The following policy language was proposed: *Every three years, dues for regular membership will be raised commensurate with inflation. The dues amount will reflect the inflationary increase rounded to the next highest dollar.<sup>5</sup> Should a more frequent and/or higher increase be sought at any point, a specific proposal would have to be brought to the LA for consideration.* Discussion ensued. *A vote was taken on the proposal.
